Active ingredients encapsulated  
in liposomes for improved  
efficacy and penetration

**SAMAY** RELIEVE YOUR SKIN, FEEL ITS YOUTH

**SAMAY** seeks to connect with the wisdom of essence to reach inner calmness; a relaxing ritual for your skin, where it finds relief and peace.

The ritual of SAMAY is created to be reconciled with your skin thanks to its involving textures, suitable for the wellness of the most sensitive skin seeking to fight aging.

### Exclusive patented technology with SENSISOMES:

SENSISOMAS®

SENSISOMES are the innovating nanometric sized liposomes developed in exclusive by Sesderma for sensitive and/or reactive skin. They deliver lipids similar to those found in healthy skin, through the gentle transport of actives onto the deepest layers of skin, to reinforce its barrier from within and fight aging.

**Find your well-being in only 3 steps:**

**SKIN-SENSITIVE 360° AGING CARE**

**SAMAY** Serum anti-aging 30 ml

**SAMAY** Cream anti-aging 50 ml

**SAMAY** Eye Contour anti-aging 15 ml

This line is gently formulated to hydrate, soothe and protect the skin barrier, whilst also combatting the signs of aging. It therefore, guarantees an optimal efficacy and tolerance on sensitive skin.

### ACTIVE INGREDIENTS SAMAY

**Shea butter**  
together with almond oil, they promote sensitive skin repair, and provide excellent moisture.

**Calendula**  
its calming effect on irritated skin has been proven and provides protection antibacterial action.

**Bio-retinoids**  
they act in a similar way to retinoids with powerful antiaging action, but also with high tolerance on sensitive skin.

**BioEcolia\***  
protects the skin's natural flora
